GENOMMA LAB ANNOUNCES ITS ENTRANCE TO THE IPC SUSTAINABILITY INDEX OF THE MEXICAN STOCK EXCHANGE

Genomma Lab Internacional S.A.B. de C.V. (BMV: LAB) ("Genomma Lab" or "the Company"), announced today that recently the Mexican Stock Exchange (BMV) notified the market that Genomma Lab was chosen to be one of a list of companies that will form the new IPC Sustainability Index, which will become effective February 1st, 2013 until January 31st, 2014.

The companies that are a part of this index were chosen because they surpassed the national average joint rating for environmental, social responsibility and corporate governance practices, based on an independent evaluation conducted by the certified agency EIRIS (Empowering Responsible Investment) and the Corporate Governance Excellence Center at the Universidad Anáhuac del Sur. In addition, the selected companies also complied with minimum requirement criteria in terms of outstanding shares and liquidity.

Rodrigo Herrera, CEO of the Company said: "We are very proud to be part of this IPC Sustainability Index. In the past few years, we have actively worked, with the support of experts, to integrate sustainability practices into our operations, while improving our policies and procedures.

“We, at Genomma Lab, are committed with the actions taken thus far in terms of sustainability, and the promotion of health and the well being of our society."

Company Description

Genomma Lab Internacional, S.A.B. de C.V. is one of the fastest growing pharmaceutical and personal care products companies in Latin America.
