GENOMMA LAB INTERNACIONAL TO NOMINATE SLATE OF FIVE INDEPENDENT DIRECTORS FOR ELECTION AT PRESTIGE BRANDS' 2012 ANNUAL MEETING OF SHAREHOLDERS

Genomma Lab Internacional S.A.B. de C.V. (BMV: LAB) (“Genomma Lab” or “the Company”) today announced that it provided formal notice to Prestige Brands Holdings, Inc. (“Prestige”) (NYSE: PBH) of its intention to nominate a slate of five independent candidates for election to Prestige’s Board of Directors and present a proposal for shareholder action at Prestige’s 2012 annual meeting of shareholders.

“Though it remains our strong preference to enter into a negotiated transaction with Prestige, we are committed to pursuing a combination of our two companies. To reinforce that commitment, we have notified Prestige of our intention to nominate a full slate of directors at the upcoming annual meeting of Prestige shareholders. We believe our highly qualified nominees will exercise independent judgment in considering Genomma’s proposed transaction,” said Rodrigo Alonso Herrera Aspra, President and Chairman of the Board of Directors of Genomma Lab Internacional, S.A.B. de C.V. “We are confident that these nominees will serve in the best interests of Prestige and its shareholders.”

Genomma’s nominees are: (i) Yvonne Furth, 53, who served as President and COO of Rivet and President and CEO of Draft FCB before retiring from The Interpublic Group of Companies, Inc. in 2009; (ii) Harry A. Hamill, 58, who served in several senior finance positions at Wyeth Corporation before retiring in 2010; (iii) Matthew S. Kissner, 57, President and Chief Executive Officer of The Kissner Group who currently serves on the Board of Directors of John Wiley & Sons, Inc. and previously held senior operational and finance roles at Pitney Bowes; (iv) Edward Lowenthal, 67, who serves on several U.S. and international corporate Boards of Directors and has founded and run several real estate investment firms; and (v) J. Matthew Singleton, 59, who retired from CitationAir in 2011 and currently serves on the Board of Directors of Cubist Pharmaceuticals, Inc. He previously held senior operational and administrative positions at CIBC World Markets.

Genomma also intends to seek to repeal any new by-laws or amendments to Prestige’s By-Laws adopted by Prestige’s Board of Directors after September 2, 2009 (which is the date of the last publicly disclosed amendment to Prestige’s By-Laws) and prior to the adoption of this proposal by Prestige’s shareholders.

On February 21, 2012, Genomma announced its non-binding proposal to acquire all of the outstanding shares of Prestige common stock for US\$16.60 per share in cash.

Genomma's all-cash proposal represents a premium of 23% over Prestige's closing stock price on February 17, 2012 and a 47% premium over the three month historical average of Prestige's share price, as of February 17, 2012.

In response to Prestige's press release issued on March 12, 2012 announcing the Prestige Board's rejection of Genomma's proposal, Genomma said it was disappointed with the Prestige Board's response. Genomma remains committed to the proposed transaction and would welcome the opportunity to meet with representatives of Prestige to discuss Genomma's compelling proposal.
