Comments from the Company:

"We are pleased with our progress in the first quarter of 2018. While exchange rate effects on our consolidated figures adversely impacted our first quarter sales growth when expressed in Mexican pesos, year over year sales increased 5.3% in local currencies, with one of the highest quarterly EBITDA margins in our Company's history. This is a reflection of improved fulfillment capabilities as well as our streamlined operations and the continued successful execution of important cost containment strategies throughout our organization."

"Further, we made important headway in anticipation of launching our new manufacturing facility located in the State of Mexico. We continued to rationalize product portfolio with a focus on our most profitable SKUs, ensuring optimal plant efficiency, and ramped up our innovation progress at the Mexico City pilot plant in anticipation of launches in the second half of the year. Construction of the new production facility is progressing well and remains on track to begin production in the fourth quarter of 2018, to ensure superior product quality and an enhanced value equation, while economies of scale will drive further important cost efficiencies."

CONSOLIDATED RESULTS FOR Q1 2018

First Quarter 2018 Net Sales reached Ps. 3.01 billion; a 6.0% decrease compared to the same period of 2017. The negative impact on sales is due to local currency to Mexican Peso exchange rate conversion effects for the Company's international operations, to reduced sales from U.S. operations resulting from a refocused point of sale penetration strategy and, to a lesser extent, as a result of the adoption of hyperinflation accounting (IAS-29 & IAS-21).

First Quarter 2018 EBITDA reached Ps. 666.7 million, compared to 694.2 million for the same period of 2017. First quarter 2018 EBITDA margin reached 22.1%; a 40 bps increase as compared to first quarter of 2017. Margin improvement is the result of the Company's continued successful execution of important cost containment strategies and initiatives to enhance efficiencies across the organization, which have been implemented since 2016.

First quarter 2018 EBITDA amounted to Ps. 79.1 million; a 30.0% year on year increase, as was anticipated in 2017. Latin America

First quarter 2018 Net Sales decreased 9.9% year on year, to Ps. 1.49 billion. When expressed in local currency, sales increased by 10.2% as compared to the same period of last year. The Ps. 164.9 million decrease in sales is primarily due to the local currency to Mexican Peso conversion effect and, to a lesser extent, as a result of the adoption of hyperinflation accounting (IAS-29 & IAS-21).

EBITDA for the first quarter of 2018 amounted to Ps. 372.7 million, as compared to Ps. 430.8 million for the same period in 2017. The EBITDA margin for the quarter closed at 25.0%, a 100 bps margin contraction as compared to the 26.0% EBITDA margin from the first quarter of 2017. The Company expects EBITDA margin improvement in the quarters ahead resulting from important initiatives implemented above the operating income line.

First quarter 2018 Gross Margin declined 190 bps, to 67.4%. Gross margin contraction for the quarter was primarily driven by a product mix effect, as certain higher-cost SKUs made a more significant contribution to the Company's top-line results in the quarter.

Selling, General, Marketing and Administrative Expenses, declined by 2.5 percentage points as a percentage of net sales, to 45.9%, compared to SGM&A of 48.4% for the same quarter of 2017. Net Income amounted to Ps. 375.7 million in the first quarter of 2018, compared to Ps. 471.6 million in the first quarter of 2017. The Ps. 95.9 million impact on Net Income was mainly due to the Ps. 166.9 million net loss on comprehensive financial result, and to a lesser extent to the Ps. 27.4 million decline in EBITDA for the quarter. This was partially offset by the Ps. 54.0 million decrease in the income tax expense.

Non-Operating Results

Comprehensive Financing Result represented a Ps. 166.9 million loss in the first quarter of 2018, compared to a Ps. 45.6 million loss recorded in the first quarter of 2017.
