

Procaps Group and Genomma Lab Announce a Strategic Agreement to Manufacture and Market Softgel Products in Latin America

Agreement Combines Procaps Oral Delivery System Technology and Manufacturing with Genomma's Strategic Marketing and Distribution Footprint

Barranquilla, Colombia - Mexico City, Mexico - Miami, US — November, 29, 2023 – Procaps Group (NASDAQ: PROC) (“Procaps”), a leading integrated international healthcare and pharmaceutical services company, and Genomma Lab Internacional, S.A.B. de C.V. (BMV: LABB; “Genomma”), the leading pharmaceutical and personal care company in Latin America, today announced a strategic agreement to develop, manufacture and market five Softgel products within Latin America. Through the partnership, Procaps will manufacture and Genomma will market and distribute the products.

“Genomma’s strong core brands, proven business model and significant footprint throughout Latin America in the OTC market, make Genomma an ideal partner for our innovative oral delivery systems,” said Ruben Minski, CEO of Procaps Group. “This agreement therefore results in a unique synergy to bolster our CDMO market share, especially in Mexico. We will also leverage Genomma’s precision multi-channel marketing and effective communication vehicles across a variety of media platforms to reach new customers. We’re excited to partner with Genomma, as this collaboration fits perfectly within our strategy to access new markets. We look forward to working with Genomma’s team to introduce our Softgel and gummies superior delivery system across their wide distribution network of independent and chain pharmacy retailers, wholesalers and e-commerce channel.”

Marco Sparvieri, CEO of Genomma Lab Internacional, added, “Our consumer-oriented marketing, broad retail distribution network, and low-cost, highly flexible operating model will support the rapid roll-out of these five Softgel products. This agreement creates additional synergies to bolster Genomma’s core competencies by offering additional pharmaceutical forms beyond those produced in our state-of-the art manufacturing complex in Mexico.” Mr Sparvieri added “Procaps’ innovative Softgel and gummies, will add new pharmaceutical formats to our premium branded product portfolio and lead to strong growth for both partners, laying the groundwork for new opportunities for growth.”

About Genomma Lab Internacional

Genomma Lab Internacional, S.A.B. de C.V. is one of the fastest growing pharmaceutical and personal care products companies in Latin America. Note on Forward-Looking Statements

This press release includes "forward-looking statements." Forward-looking statements may be identified by the use of words such as "forecast," "intend," "seek," "target," "anticipate," "believe," "expect," "estimate," "plan," "outlook," and "project" and other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. Such forward-looking statements include projected financial information. A number of factors could cause actual results or outcomes to differ materially from those indicated by such forward-looking statements. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control), or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, a) the risks included under the header "Risk Factors" in Procaps' annual report on Form 20-F filed with the SEC, as well as Procaps' other filings with the SEC and the risks included under the header "Factores de Riesgo" in Genomma's annual report on Annex N filed with the BMV, as well as Genomma's other filings with the BMV. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. Accordingly, you should not put undue reliance on these statements.
